We believe complexity can be turned into simple, elegant and credible designs which strengthen product visibility and communicate your principals to their target audience.

About us

Established in 1998, we are the leading and most innovative promotional marketing and advertising industry in Qatar. Our expertise is in the development and rapid execution of marketing, branding and gifts for multiple company locations. We distill the compelling traits of every project and push ideas that will clearly convey your target product in its highest quality.

Our **Creativity** lies in the belief that complexity can be turned into simple, elegant and credible designs which strengthen product visibility and communicate your principals to their target audience. Our **Experience** continues to grow as we journey on a never ending road in confident pursuit of providing best services and ideas. Our **Commitment** is expressed in the unique and original perspectives we bring to all aspects of the services we provide. We believe that what you are doing warrants our full, undivided and persistent attention.

We provide a wide breadth of services to help you translate the intangibles of your product as well as your company values. These range from a variety of promotional branding options such as exhibition stands and a wide range of corporate promotional gifts to services which include digital and offset printing utilizing state-of-the-art computer graphics and 3D design. In this manner we are able to provide quick turn around in presenting your brand with integrity and quality.

We invite you to bring your project to **Aldar** and allow our qualified and professional staff to meld your passion with our knowledge and experience to present your product in a manner which expeditiously and precisely fits your needs.

Gifts & Promotion

We strive to set a new standard of excellence for the promotional product marketplace.
